Dear Administrator:

This Covid-19 has been extremely busy for all of the Local Public Health Agencies. It has made an impact on families in your community. I am here as a resource to assist children with special health care needs and their families. Please feel free to have them contact me at 660.351.6992. They can also visit the website: <https://health.mo.gov/living/families/shcn/cyshcn.php> for more information. Although we are not doing face to face visits at this time, I can complete enrollment and needs over the phone.

If I may be of any assistance do not hesitate to call me. I have included some program information and my business cards.

Respectfully,

A handwritten signature in cursive script that reads "Nancy McCloud".
