February's Club Meeting

The club met on February 2, 2017 at 1773 Warm Spring Rd. Chambersburg, PA, 17202. The social began at 6:30pm., and the meeting started at 7:00pm.

The president opened the meeting with a few announcements that have been incorporated throughout the newsletter.

The monthly raffle was held and seven prizes were won. The club also auctioned off a large piece of wood, and Maury Mahan was the high bidder. Thanks Maury for your donation to the club.

The demonstration for the night was footed vessels presented by Maury Mahan. Maury didn't make a grand entrance like last year, but he did share some valuable information to the club.

Lee Burkholder recorded the demo, and it will be available on YouTube as soon as he can post it. You can [click here](#) to view Lee's channel.

Show and Tell

Our challenges are geared to take our members out of their comfort zone by having them turn a designated item, or perform a certain task. **The Challenge for February was to turn a bowl.**

We also enjoy projects that members are willing to share with the club. This gives other members ideas on what they may want to turn.

Turnings are photographed at the club meetings, and are usually posted on the club's website for all to see. **To see these and other great turnings please [click here](#).**

The challenge for March is to turn a footed vessel.
