

Minecraft: Education Edition for School

How to access and log into M:EE from home etc.

M:EE will need to be installed onto your machine: only works on Windows PC or laptop, Apple Mac or iPad

To do this, follow this link:

<https://education.minecraft.net/get-started/download/>

And follow the instructions. You will need a minimum of 2Gb RAM and approx 20Gb spare hard drive storage.

Once installed it will prompt for username and password. Students who have used it regularly will know theirs but if they are unsure please contact Andy on aredman@prospectschoolhavant.com
