Next Club Meeting ... 11/07/20 [Saturday @ 8:30AM]
11/12/20 [Thursday @ 7:00PM]

VOLUNTEERS NEEDED: The backstop is ready to install.

Installation will begin at the club Friday, 10/09/20 at 8:00am taking down the section of the wall to allow room to move the parts into the range.

Saturday, 10/10/20 we will be meeting at the warehouse at 99 N. Tyler at 8:00am to move the backstop to the club.

THE RANGE WILL BE CLOSED DURING BACKSTOP INSTALLATION UNTIL INSTALLATION IS COMPLETE.

The more people we have helping install the backstop, the quicker the work will be completed and the less time the range will be closed. Installation will require the removal of part of the wall, so we will be going ahead and doing other upgrades such as adding bulletproof glass. We need people with carpentry knowledge, but all help is welcomed. We will have enough work for everyone to have a job. We will be working 7 days a week throughout the day until installation is complete. Please find a time to come out and help. Working on the backstop counts toward the \$25 maintenance discount on your renewal.

EVENTS: All events are canceled until backstop installation is complete.

Club Shoots:

November shoot will be a turkey shoot on Saturday, November 7th at 1:00pm. This is a blind shoot, any caliber. Four turkeys will be given away. The rest of the shoots for the year are posted on the club calendar.

LTC Practice:

LTC practice is "every other" Thursday night at 6:00PM – 8:00PM. Check the calendar for specific dates. This is an excellent opportunity for members to become more proficient with their carry gun/holster setup that they use for carry.

Upcoming LTC practices:

Canceled until backstop installation is complete.

Ladies' Night

Ladies night will most likely be canceled this month due to backstop installation. Watch the club calendar on the website or check the Facebook page for updates.

IDPA:

IDPA Practice is every other Wednesday night at 6:30PM. Open to members and non-members. Check the calendar for specific dates.

Upcoming IDPA nights:

Canceled until backstop installation is complete.

Club Maintenance:

Don't forget about Maintenance night at 5:30PM the Tuesday night after the Saturday meeting. Come out and help keep the club in good shape. If you attend 6 maintenance nights, you will get \$25 off your annual dues.

Please be sure to sweep AWAY from the lead pit when sweeping the range. Trash in the lead pit makes cleanup much more difficult. Thanks for helping keep the range clean and functional!

WHAT'S HAPPENING IN TPPC:

We will have a booth at the gun show will be October 17th and 18th. Volunteers are appreciated.

Safety meetings for renewals began in September. They will be done following the monthly meetings on Saturday and Thursday. Please try to get this done early instead of waiting until the last minute,

Elections were done at the October monthly meetings. All offices were uncontested. A vote by acclamation was held. It was unanimous. Officers are:

- President – Bill Thompson
- Vice President of Operations- Jack Zanger
- Secretary – Bobby DeLong
- Membership Coordinator – Jerome Price

Due to the canceled meetings for COVID, the officers have decided to reduce the number of meetings required for the annual gun drawing from 10 to 8.

TPPC decals are available for purchase for \$1/each. Empty chamber indicators may be purchased for \$2. We also have caps available for \$10/each. We are also taking special orders for T-shirts and decals for mugs, etc.

You can email texaspanhandlepistolclub@gmail.com if you have any questions or suggestions. It is routinely checked by the officers.

Have you gone to the club Facebook page?
