Quotes:

“He is an excellent student in a challenging Engineering undergraduate degree program, where he/she has demonstrated personal excellence including demonstration of leadership qualities and a strong ability to get along with and to work well with others.” **Dr. Arthur C. Taylor, III** - Professor, ME and AE

“As a mechanical engineering student at Old Dominion University, this award will make a significant, positive impact in my life. I sincerely thank you for selecting me to be a recipient of the Anchor Scholarship. Upon learning that I would be a recipient, I was overjoyed and relieved. Supporting myself through college has been a continual challenge and this will be a substantial blessing that will allow me to be more focused on academics in this oncoming school year.” **Patrick**
