Dear Community Business Leaders & Friends,

Thank you for considering sponsorship of the Liberty High School Band and Colorguard. As one of the the largest teams on campus, with 145 members, we feel this is a student organization you will want to support. Under the leadership of directors Travis Whaley, Cristy Stephens, and several staff members, this band continues to grow at a level unseen in the school's history and represents itself as one of Henderson's most competitive and successful high school bands:

Marching Band: Sounds Across the Valley NV Championships Finalist; Division 1st place awards: 2009, 2012, 2013, 2014, 2015

Concert Band: Superior ratings 2011, 2012, 2014, 2015

Winter Drumline: Largest the group has ever been, 1st place in ADLA Scholastic B Division 2016

Winterguard: Largest the group have ever been, 1st place WGASC Scholastic A Division 2016

CCSD and Liberty HS has generously provided important essentials for our program this year, but extras needed to compete at a high level are costly. Sponsorship funds provide professional clinicians and new equipment as well as additional educational and performance opportunities for the students. Sponsorship funds also help cover a wide variety of additional unplanned expenses that arise each year for instrument repair, uniform upkeep, extra travel and more. Your investment benefits a program proven to give students a higher level of success in academics, behavior, time management and collaboration – all qualities highly valued by employers like you.

The message we bring to you today is that our band program needs the financial support of this community to compete at a high level. This month is our SPONSORSHIP DRIVE month, and we need you on our team! We are reaching for the stars with a goal of \$20,000 in Corporate and Business Community Sponsorships. Please review the enclosed sponsorship levels and the opportunities they provide to partner with our Band and Colorguard program and promote your business.
