Generally, the Retirement System should receive this form by the twelfth of the month that you want your withholding amount to change.

Even if you elect not to have federal income tax withheld, you are liable for payment of federal income tax on the taxable portion of your pension. Also, you may be subject to tax penalties under the estimated tax rules if your payments of estimated tax and withholding (if any) are not adequate.

If your monthly benefit payment is currently being sent via Direct Deposit, the filing of this form will not affect that process, just the amount transmitted into your account.

If you do not submit a W-4P form, the System must withhold as if you are married claiming three withholding allowances.

Any election you make will remain in effect until you change it. You may change your election at any time by requesting and filing another "Withholding Election and Certificate," W-4P. If you elect not to have federal income tax withheld from your monthly benefit or if you do not have sufficient federal income tax withheld, you may be responsible for payment of estimated taxes. It should be noted, you might incur penalties under the estimated tax rules if your withholding and/or estimated tax payments are not sufficient.

Any election you make should take into consideration all deductions that are being taken from your monthly payment. The specific amount chosen should not exceed the net amount of your monthly payment.

Please consult a tax expert or the Internal Revenue Service should you require additional information regarding your election.
