DESCRIPTION: Beautiful RARE Shakespeare high-end Proline Osprey in excellent condition. Beautiful phenolic and Bubinga riser. This bow received rave reviews in a bow review done for the June 1972 edition of Bow and Arrow magazine. The design of the Osprey is nearly identical to that of the Wing Chaparral, but the Osprey used a little more phenolic. No delamination; no cracks; limbs are straight. 5 layer tip overlays are in great condition. NO drilled holes. No stress lines or crazing. A few minor scratches, blemishes, and scuffs. This is a really nice bow in excellent condition for its age.
