

Court media

Welcome to the Information Freeway

Justice need's a Court media !

People have a right, a need to see, hear all parts of Justice. How it works. A Court is not to be used for propoganda, entertainment, public relations or as Media Circus. There is no video taping of trial. Discreet Security cameras are used. Covering face is not allowed. **MS R3**

There is no media video taping of trial. Allowing media cameras at trial turns the trial into entertainment. When facing cameras Judge, Magistrate, Prosecutor, Defense (**Barrister, Lawyer**), accused and witnesses behave different than they would if their were no cameras. People will not act and behave natural. Under mining the reading of body language, facial expression, tone of voice, usage of language. People also would dress different to create an unnatural image. Undermining the integrity of court proceedings turning them into theater. Unjust! Not acceptable.

Before Trial

Media reporting before Trial is limited to name of Accused, which Court, date of Trial. **Any other reporting (charges, witness names, court officials, opinions, comments..)** is contempt of Court: '**MS R3**'

During Trial

There is a Media ban on reporting during trial. **Media breaking ban is in contempt of court: 'MS R3'**

After Trial conclusion

Media gives a '**Detail Trial Report**' after trial conclusion: Who was accused (**picture, address, employer, parents**)? What where the charges? Court officials. verdict, reasoning and rehabilitation, compensation if any. **Media should give an opinion and comment.**

Note ! Judge (Magistrate) cannot (ever) suppress detailed reporting by Media for any reason (national security, privacy, corrupt Law..).

Appeal

Once an appeal has been lodged. Media reporting before Trial, during Trial and after Trial rules apply.

Freedom of Detail Trial reporting is sacred !

Suppressing order means protecting the 'Guilty'. Protecting them is a threat to the Community. The community have a right to know a 'Guilty's (picture, address, employer, parents)', a victim (s) details. The appeal result and reasoning ('Detail Trial Report'). Any denial (Judge Suppression order after Appeal) of this activity get's **MS R7'**

Note! The community have a right to know a 'Guilty's details. It helps the community protect itself from evil, crime.. The community have a right to know a 'victim (s)' details. This enables a community to give maximum assistance.

Any Judge, Magistrate issuing a Suppression order after Trial, Appeal is removed from the Judiciary. Their Professional credentials are canceled, is prosecuted '**MS R7'**.

Note! Any guilty protected by a suppression order committing a crime (s). Any Judge, Magistrate that issued this Suppression order is guilty by association (being a threat to the community). Their professional credentials are canceled, is prosecuted '**MS R7'**.

Any victim protected by a suppression order. Not getting the help needed. Any Judge, Magistrate that issued this suppression order is guilty of dereliction of duty to a member of the community. Their Professional credentials are canceled, is prosecuted '**MS R7'**.

Justice a community need!

Justice a community duty!

Justice a community right!
