

“Stop Identity Theft”

By Pastor Lee

Today, cyber-security is a serious concern. Banks, credit card companies, and even government agencies have been hacked. We have to go to great lengths to protect our personal information. Yet, many people still experience identity theft. But identity theft has been taking place long before the invention of the internet.

The greatest hacker in the world is Satan. He loves to hack into our minds and re-program our thoughts. He tries to replace truth with lies. So, it's important to re-enter the correct data. Here are seven truths about your new identity as a Jesus follower.

1. You are forgiven and free from all commendation. (Romans 8:1)
2. You are a child of God and an heir to his Kingdom. (Rom. 8:17)
3. You are a new creation. (2 Cor. 5:17)
4. You are the dwelling place of God's presence. (1 Cor. 3:16)
5. You are God's "sent one" to change the world. (Matt. 28:19-20)
6. You are a chosen royal priest (1 Peter 2:9)
7. You are an ambassador of Jesus. (2 Cor. 5:11)

The Bible is the source of truth. Trust in it. Read it. And let it reboot your hard drive. We can stop identity theft. Fill your mind with the truth of God's Word daily.
