

RAISING HOPE

IN OLIVIA, MINNESOTA

2ND QUARTER 2017
VOLUME 1, ISSUE 1

OLIVIA'S HOUSE OF HOPE

HOPE IS HERE

FROM THE DIRECTOR

Hope is here in Olivia, Minnesota. Hope for women in need of transition that want the opportunity to transform their lives.

Our mission is to provide a Biblically focused Christ centered ministry of HOPE to women by building a new direction towards right living and preserving the fruits thereof for generations to come. This all means that they can have a personal relationship with God, operate in faith as the Word promises, and give back to the community out of grateful hearts!

Can this really happen? Absolutely! I know that with God, all things are possible!

The meaning of life can and does change for women who put their trust in God. They find out who they are and how to make a difference by securing jobs, participation in Bible studies, gaining new life skills, and most importantly, building healthy relationships within the community. Olivia's House of Hope offers them a brand-new beginning.

With that said, I'm sincerely grateful to live in a community where our neighbors and friends matter. A place where the heart of God shines in the hearts of His people. God's love abounds when hope is found. Hope is found here!
