Sunday Meditation

We hear a lot about plans for church growth. The plans are mainly procedures for advertising and management according to the principles of sociology and marketing, to find people's "felt needs" and to meet them, to increase membership and fill the pews with tithers. But building churches is a spiritual business and should be carried out by spiritual men on spiritual principles. Churches seek plans; God seeks people. We seek methods; God seeks men. Actually an edified church will always be a multiplied church. When godly leaders "equip the saints for the work of service" (Eph. 4:12), the church will inevitably grow. Our aim is not to fill the pews, but to bring every member to full maturity. Our aim should be that of Paul: "We proclaim Christ, warning every man and teaching every man in all wisdom that we may present every man mature in Christ" (Col 1:28). All for Jesus, Richard

We would like to share some joy from one of our World Bible School students. Travis McGraw is incarcerated in a facility in Phoenix City, AL. He wrote to us to tell us he was able to be baptized. He said he had no family to share this good news with, so he wanted to share it with us. When we answered his letter, we told him he had just acquired the largest family on earth and in heaven. Please pray for Travis. Pray he can continue to stay strong in the Lord and to grow his knowledge of the Bible no matter his circumstance. Over the months and years we have had many incarcerated students express a desire to be baptized. We are not able to go into the prisons to do this, & most times they are not able to be released to accomplish this goal. Please pray that they will remain strong and will be baptized after their release. We always offer to find them a church and have often done so in times past. Thank you so much for your support for this huge and vital ministry. Pat Mooney & WBS helpers
