So the Statutes at Large are only Lawful when they have been Certified like this? And is Gregory T. Cooper or GREGORY T. COOPER a UNITED STATES Citizen thus a 'dead person' per Black's Law Dictionary and not Lawful to be verifying items at all per the 13th Amendment of 1819? If you want to see the Statues at Large in detail and when Congress was in session then go here, for 2015 August, as I checked out all the dates as they were only in session for about 4 months of the year, and then after Lincoln then I have only the important ones to mention as they were no longer a Constitutional Congress: <http://nesaranews-cfd.blogspot.com/2015/08/>
