## ANNOUNCEMENTS

- Membership renewals continue to come in and we are still accepting them from you! When we get back in session, we will be stronger than ever! See Membership article on page 3.
- It was very fun reading short summaries of how our RWC Navajo Canyon members are doing during this time of COVID-19. Your paragraphs confirmed that you are resilient, strong women who have found many creative and productive ways in which to occupy your time.
- As restaurants and small businesses start to re-open and stay-at-home restrictions are lifted, let's all be purposeful to support them as best we can. These were determined to be "non-essential" and have suffered tremendous financial hardship.

## JUNE 9th ZOOM CALL!

**Instead of our usual luncheon meeting at the Brigantine, we will be hosting a ZOOM meeting in which you ALL are encouraged to participate! We will be sending you a link to access the meeting, as well as detailed instructions on how to use Zoom. Watch for email from us next week!**

## PRESIDENT'S MESSAGE—Waskah Whelan

Navajo Canyon Republican Women

Please join us for our **June 9<sup>th</sup> 10:30 am Zoom Meeting.**

Our speaker will be Jim DeBello, candidate for Congress in the 52<sup>nd</sup> CD.

Jim DeBello is one of our four Republican candidates for Congress from San Diego County.

We have Navajo members that live in the 52<sup>nd</sup> CD and many interested Republican women that pride themselves on knowing all about the GOP candidates in San Diego.

Please tune in and hear Jim speak about the Republican effort to take back the House and terminate Nancy Pelosi's term as Speaker.

## EVENT INFO — ZOOM GENERAL MEETING — TREASURER—Bonnee Proo

Hello, Ladies!

I pray you are all doing well! I have just a few points to mention:

- 1) **A number of you have prepaid for our April event** which was to feature Liz Wheeler as our keynote speaker. We are still working on having that event now in July. However, due to the circumstances surrounding COVID-19, we really do not have a guaranteed date as to when we will be able to get together for a physical meeting. We are still planning our fashion show at the Bali Hai in October. One would think that by October, we should be able to have our yearly event, especially since it is an outdoor venue. We can certainly apply your prepayment toward entrance to our fashion show if our Liz Wheeler event does not happen before then. If, however, you would like to have your prepayment refunded now, please contact me (bonnee.proo@gmail.com) by email with your current physical address and phone number. If you are good with “hanging in there” with us to see when the next event will be, those of you who have prepaid will certainly be first on our attendees list!
- 2) **Our next general meeting will be a Zoom meeting.** Most of us had never heard of a Zoom meeting before this COVID “thing” came about. Now it is one of the most popular methods of staying in touch with family, friends, and business associates. We even see it being used on many live TV shows. You are able to access a zoom meeting via a PC, MAC computer, iPad, tablet, laptop or smart cell phone, but you will need to download the Zoom application software on your device prior to joining the meeting.
- 3) **Instructions will be sent to you shortly** to guide you through downloading the software, entering a meeting, and things to know about attending a Zoom meeting. If you still have questions after receiving the instructions, you may contact Wendy Wolfe or myself.
- 4) **Prior to the next Zoom meeting on the 9<sup>th</sup> of June, you will receive an invitation or a link** to join the meeting. This will be explained in the instructions. The link, or invitation, will be sent out one week before the meeting and then again the day before the meeting.

**Keep an eye out for the instructions and the link!**

## MEMBERSHIP—Wendy Wolfe

Ladies, I know things have become quite challenging since we have not been able to meet in person due to the Coronavirus, but we've enjoyed hearing how many of you are spending this time and we hope to schedule a Zoom video conference in the near future. We'd like to – at the very least - be able to provide you with a membership directory roster, and we are considering ways to get it into your hands. We're still taking checks for annual membership, so if you are interested in being included but you haven't yet renewed, please take this opportunity to do it now.

I can report that Navajo Canyon is still the largest group in the County. We have 127 members and 9 associate members, and our hope is that – when we can meet again – we will provide a distinct and positive voice leading up to a second term for President Trump.

Thank you to each and every one of you who have renewed your membership this year. We do ask that you please continue to stay in touch with members you know and let us know if anyone needs anything at all during these difficult times – we want to be able to help. We look forward to meeting again in person – until then, please take care your health and that of your loved ones.

Membership Information: Dues are be \$35 for regular members and \$20 for associate members. If you haven't yet paid your annual membership dues and wish to, please mail a check, payable to RWCNC, to: 2295 Needham Road, #4, El Cajon 92020.

## WAYS AND MEANS—Diane Randolph

Regarding our October Fashion Show, I will be checking with the Bali Hai next week about their plans on handling group events and hopefully I'll have an answer I can share with you on our next conference call.

I asked Ginny Wisley if she would contact her friend and owner of Glamour Girlz to find out how things were going. Here is her response:

This is the Reader's Digest version per Peggy Harris owner:

*She is not open for walk-in yet. She is hoping to get all the rules & regs done & be available for in-store shopping by mid-June.*

*In the meantime she would LOVE to get everyone ready for the new shopping season by doing telephone retail therapy. For every \$100 in gift certificates sold she is offering another one for \$25. Buy \$100 get \$25 FREE.*

The shop is at 124 E. Main St, El Cajon CA 92020. The phone number is 619.807.3108.

Please call her. This is a way to rebound the economy, support a conservative women owned small business a true win-win-win situation.

She is looking forward to seeing us in October for the fashion show and hopefully in the next few weeks. She'll let us know when she is open for walk in business.

In the meantime I did find a good use for my face mask so here is my tip.

### **BREAKING NEWS**

**Wearing a mask 🤒  
inside your home is now  
highly recommended.  
Not so much to prevent  
Covid-19 but to stop eating.**

## CAMPAIGN PRECINCT—Waskah Whelan

**Republicans just scored a surprise political victory in the reliable Democratic stronghold of Staunton, Virginia.** Staunton is a city that voted for Barack Obama, twice, voted for Hillary Clinton and voted for Terry McAuliffe but is now controlled by Republicans. They have a conservative majority for the first time in recent memory.

Even more noteworthy is the fact all the Democrat incumbents outperformed their 2016 vote totals in their 2020 re-election races! Democrats got their voters out, but Republicans got a lot more of theirs out. It was noted Republican turnout was akin to a presidential or a gubernatorial year.

**“Republicans were more organized, more funded and more fired up.”**

Their campaign slogan: ***Elect a team for Economic Recovery, not Economic Disaster!***

**On May 12<sup>th</sup> in CA Congressional District 25, Republicans scored an unexpected political victory** in the heavily Democrat controlled area of north Los Angeles County. This is the first time the GOP has flipped a Democratic-held California congressional district seat since 1998. Mike Garcia is now the Republican Congressman for the 25<sup>th</sup> CD. He will face off again in November against the same Democrat rival, but for now Congressman Garcia will be one more Republican vote supporting President Trump.

Garcia ran on the platform: ***“Lower taxes, defeat socialism and build the wall”***

**Republican Get-Out-the-Vote efforts are responsible for these wins.** Republicans won against favored Democrat candidates in Democrat districts with a lot of hard work.

Using voter contact programs like TrumpTalk.gop and Campaign i360, *thousands* of Republican volunteers from across the country helped win these local races. Phone calls were made, money donated...much of it by Republican Women.

**When Republicans Work...Republicans Vote...Republicans Win!**

**Republican Woman will all be needed to make phone calls in support of our candidates if we want to win in 2020.** Voters don't turn themselves out...that's our job!

## CHAPLAIN—Ginny Wisley

*“I press on toward the goal for the prize of the upward call of  
God in Christ Jesus”  
Philippians 3:14*

There is a Lady Antebellum song that says, “the world keeps spinning faster, into a new disaster”. Well boy-howdy, ain't that the truth? We have had enough disasters in 2020 to last a few lifetimes. (Personally, I'm done with them).

The one thing I have learned these past few months is perseverance. Every December, I make a list of goals for the upcoming year. Usually the majority carry over (& over) to the next year. This year was different. I added perseverance to my goals. I will get something done. I have pushed on to the end. My race to the finish of the five-page list is happening.

We are all on a race to persevere. We must move to the future of this nation, this state, this county. We must persevere to make all the world's disasters seem pale and the world will slow down.

Miss you all.
