BABY WASH

BABY WASH is an extremely mild and creamy detergent for sensitive skin, formulated with mildest surfactants and rich emollients. Not aggressive, it provides a soft cleansing action while removing sensitive skin discomfort.

From Indena, it contains:

ZANTHALENE®: lenitive and soothing, Zanthalene® contains specific molecules providing an immediate reduction of itch and skin discomfort of various origin.

XILOGEL®: highly characterized polysaccharide obtained from the seeds of *Tamarindus indica*, has strong hydrating properties. Film forming, endowes the formulation with peculiar smooth and silky touch.
