Dear Judge Esrig,

Yesterday, the TTO filed a motion with this Court in the 2013 case decided in May 2021. The TTO noticed its motion for December 21, 2021, at 9:30 a.m. LT notes that the TTO did not appeal from your Honor's ruling.

Please be advised of LT's position that the TTO's motion is a bad faith effort to circumvent a ruling from another Circuit Judge in a pending case, and that the motion should be stricken immediately.

In connection with the motion hearing, LT submits the attached courtesy copies of the following orders entered in the case between the parties presently pending before Judge Horan, Case No. 2021 CH 04844 ("the 2021 Case"):

1. The 10-8-2021 Order, in which Judge Horan denied the TTO's motion to transfer the 2021 Case to Judge Esrig and set a further evidentiary hearing on LT's motion for preliminary injunction.
2. The transcript of the hearing on 10-6-2021, in which Judge Horan explained her reasons for denying the TTO's motion to transfer to Judge Esrig.
3. The 10-26-2021 Order, in which the Appellate Court denied the TTO's petition for interlocutory appeal in the 2021 Case and dismissed the TTO's appeal.
4. The 11-5-2021 Order, in which Judge Horan granted LT's motion for a TRO requiring the TTO to segregate and freeze about \$1.2 million in funds taken from LT's agency account and scheduled a further evidentiary hearing on the preliminary injunction motion for December 20, 2021.

Thank you for your assistance with this matter.

Sincerely,

Jay R. Hoffman
