

## **PRIMARY SCHOOL SPORTS PREMIUM FUNDING IMPACT REPORT 2020-21**

At Newton Leys Primary School and Nursery we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

### **What is the Sports Premium?**

The government is providing substantial primary school sport funding per annum. The funding is being provided by the Secretary of State for Education and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. At Newton Leys Primary School we received £18,473 for the 2020-2021 academic year. The money can only be spent on sport and PE provision in schools.

### **Purpose of the funding**

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### **How to use PE and sport premium:**

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school

**PRIMARY SCHOOL SPORTS PREMIUM FUNDING IMPACT REPORT 2020-21**

- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching
