## **Love Changes Everything**

Words: Andrew Lloyd Webber (adapted)

Music: Andrew Lloyd Webber

Love, Love changes everything  
Hands and faces, earth and sky  
Love, Love changes everything  
How you live and how you try

Love, love can make the summer fly  
Or a day seem like a lifetime  
Yes, Love, Love changes everything  
Now I tremble at Your name  
Nothing in the world will ever be the same!

Love, Love changes everything  
Days are longer, words mean more  
Love, Love changes everything  
Joy is deeper than before

Love will turn your world around  
And that world will last forever  
Yes, Love, Love changes everything  
Brings you glory, in His name  
Nothing in the world will ever be the same

(pause – music)

Off into the world we go  
Planning futures, shaping years  
Love bursts through  
And suddenly all our wisdom disappears

Love makes fools of everyone  
All the rules we made are broken  
Yes, Love, Love changes everyone  
Live and flourish in its flame  
Love will never, never let you be the same  
Love will never, never let you be the same!

# God Loves Us

Words: Marjorie Gladden (adapted)

Music: Lee Holdridge

God loves us with a love that knows us as His own,  
A love that comforts as it heals,  
A love that pours forth calm and never-ending joy,  
A love that Truth and Life reveals.

We can't believe we must accept disease  
When God sends only peace and never pain,  
We trust His ever-present love and find  
That Love divine has freed us once again.

God's loving us with tender care and quiet thought,  
A confidence that stills our fear,  
His love embraces us in consciousness of good  
That hears and feels His presence near.

Her ever-presence never fails to show  
Supply comes from a source that's from above,  
We look to God in every human need,  
And never fail to feel Her constant love.

God loves us with a love that knows us as Her own,  
A love that tells us: "You are Mine";  
A love that pours forth calm and never-ending joy,  
A love that's constant through all time.
