Be sure to choose a book that is in your end of year Lexile.

DO NOT read:

- From the Mixed-Up Files of Mrs. Basil E. Frankenweiler
- My Side of the Mountain
- Mrs. Frisby and the Rats of NIMH
- Sing Down the Moon

When you have finished the book, you have a few options.

1. Complete a story map. There are dozens of examples to see when you google "story map."
2. Write a response journal. After each chapter, write down your thoughts on what happened. Can you relate to anything? Are there any words that were tricky?
3. Powerpoint book report or create a book report poster.
