Values

Our core values are driven by a desire to improve life, achieve excellence, operate with the highest standards of integrity, expand access to our services and employ a diverse workforce that values collaboration. At the heart of everything we do are our company values. We stand by them being the set of behaviours that we expect all our people to embrace to further our ambitions for our business, our people and communities

About Paragon Security Group

At Paragon Security Group, we're very passionate about keeping satisfied customers. We understand that our customers trust us to safeguard their businesses that's why we give very personalised service to each and every customer who are looked after by our Director or one of our Senior Manager to ensure we consistently deliver the very highest professional standards.

We are proud to be one of very few companies who got the status of an ACS approved contractors for Security Guarding, Door Supervision and Key Holding Services. We are also ISO9001 Accredited, ISO14001 and OHSAS 18001 compliant with very strong management procedures.

All of our staff are highly trained and are subject to constant site supervision and random inspections. Our security officers can also assist in undertaking additional duties such as, reception, stock control and administration, dispute management & so on.

We are one stop shop for all security, cleaning, facilities management and consultancy needs for small, medium and large size companies throughout the UK. In addition, we are committed to exceeding the expectations of our clients and we continually monitor our performance to ensure that we deliver an exceptional service.

Our Divisions

We have three separate divisions for provision of Security, Consultancy and Facilities Management Services.

How We Do It ?

- > Contact Our Professional Consultants Team
- > We will discuss the requirements with you over the phone or arrange a no obligation meeting
- > One of our business consultant will explain you the whole procedure and requirements during the meeting
- > Once we sign the project, we will establish your company policies, procedures, business plans and flow charts as per the standard requirements
- > Our consultant will help you throughout the project until all policies and procedures are implemented within your organisation.
- > We will conduct Internal Audit and Management Review Meeting to ensure that all the standard requirements are met
- > Once we are completely satisfied - we will book an external audit with the certification agency of your choice
