The Marion Township Planning Commission meeting was called to order at 7:33 by Christie Holloway with pledge of allegiance to the flag.

Dillon made a motion to approve the Marion Township Planning Commission Meeting minutes of May 7, 2018. Sampsell seconded the motion. All voted in favor of the motion.

Mark Holloway commented on the Park & Rec - They would like to put out a survey to see what the township wants to see happen at the park. They hope to put out the survey late Fall, maybe August. Holloway stated there are a few federal grants with no match required. Also donations can be labor in kind. The Park & Rec is looking for a third member, they are now down to 2 people.

Christie Holloway talked about our Zoning Ordinance - The setbacks do not say if they are for buildings or use. Typically they are associated with buildings. It was suggested that we consider improving our set back definitions. Set backs and right of ways were discussed.

Meeting was adjourned at 7:54
