## What's a "Peep Show"???

It's a family oriented art show featuring Marshmallow Peeps® candies in Displays, Dioramas and Artwork—FREE to the Public and made possible by your support!!

### Then how do we raise Funds?

We sell tickets to visitors so they can vote for their favorite displays. Prizes are awarded at the end of the show to the artwork that gets the most votes. There are lots of different categories and opportunities to win!

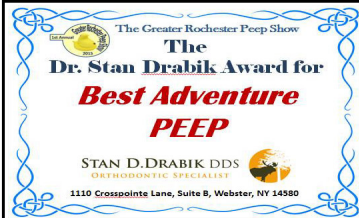

We are asking area businesses to help support this event by entering a display, hanging a poster, donating a prize or becoming a partner in underwriting the show.

**Your donations are tax-deductible!**  
There are Three Tiers of Partnership:

### Friends (\$50 or \$75)

- Friends can choose to have their name/logo as a sponsor of one of the many display tables for a \$50 contribution, or for \$75 sponsor a prize that appears with a display and also on the website home page.
