

## HOW DO I GET MY USFS MEMBERSHIP CARD

Membership cards are sent directly from USFS and not from Washington Figure Skating Club. It will often take 2-3 months from the time of membership until you receive your card in the mail. If you want/need a card you may print out a temporary card by following the steps below. Note: You must know your USFS number.

- 1) Go to [www.usfsa.org](http://www.usfsa.org)
- 2) Click on “Members Only” top right blue button
- 3) Enter your USFS Membership number and password
- 4) If this the first time you’ve logged in, click on the “Request password” link and follow the steps.  
Note: Initially you must use the same email address as your WFSC account.
- 5) Once logged in, go to the “Account” drop down (upper right) select “Member Profile”
- 6) Click “Print Temporary Membership Card” (in blue)
- 7) Note: You may also access your skater’s test and competition history here.

Still having problems? Please call USFSA Membership Services at 719-635-5200.
