

Update: April 30, 2020

To Our On Stage Students And Families,

We at On Stage have missed you all so much. We hope you have been taking care of yourselves and are spending time with family. It has been great seeing so many of our dancers the last two weeks on Zoom. The smiling faces and dedication to dance have made each of the teacher's day.

As of April 30th, OSDA is continuing to follow our governor's stay at home order until at least May 15th. OSDA will be holding online Zoom classes for the time being to help with the containment of COVID-19. Our focus as always is the health and safety of our families and staff.

Until we can dance together again in person, we will continue to offer LIVE Zoom classes for our dancers to keep growing. Starting May 4th, we will be moving to a monthly payment program. It is the same as our normal payment schedule. Information on how to register is below and a current schedule is attached. We hope you can join us for some great classes with your favorite teachers.

When OSDA is able to open our doors for in person classes, we will continue to offer the Live Zoom option for the first month to families who need to continue to stay at home. We want to give our families options for what they feel is best for their family as we come back.

We will continue to update you on what is going on with us and when we will be able to re-open. Please keep your eye out for an email from us. If you have any questions, please feel free to email us back or call us at 623-979-4779. OSDA misses you and we cannot wait for the time we can be dancing together again.

Sincerely,
Rose Troiani and the OSDA Staff
