# Weekly Bulletin

Week of: April 27 -May 3, 2016

This weekly bulletin is put into place by our President Tom Teach, just to summarize the meeting highlights, announce upcoming dates, and important reminders for the coming week/events.

**Guest Speaker: Dave Thoeny** Gave us a guided tour of our club's website...it is wonderful. If you missed it, connect with Dave, and he can even help you with clouds, Facebook and ?Instaprint???. He has taken some great pictures, excellent information, and wonderful images of our club in action!! Thank you so much, Dave!! We all sure do appreciate it. It takes a lot behind the scenes to end up with great works.
