			CUT-OFF DATE IS October 20, 2016.					

A full-page sheet of white graph paper. The grid consists of thin, light gray horizontal and vertical lines forming small squares. There are 20 columns and 20 rows of squares. A thicker, solid black horizontal line runs across the page, separating the top half from the bottom half. Another thicker, solid black horizontal line runs across the page, separating the middle section from the bottom section. These two thick lines divide the page into three main horizontal sections: a top section (rows 1-10), a middle section (rows 11-15), and a bottom section (rows 16-20). The grid continues uninterrupted across all sections.
