

Program and Suggestions Questionnaire

Please bold your responses, save them, and then email them back to acf@nb.aibn.com.

The purpose of this questionnaire is to not only expand on the new program ideas we have come up with as a center, but to also generate feedback from you as members. Aside from the programs mentioned in this survey (i.e., Riverjam Coffee House Series, Teen & Young Adult Night, Movie Night, Art Class, Gymnastics, Dance, and Tai Kwon Do), we encourage and highly value input from members, as only you know what is truly useful and necessary. As a team we can develop appropriate activities, events, and programs to help Autism Connections Fredericton provide effective resources and reach as many individuals in the community as possible. We look forward to hearing from each and every one of you!

Suggestions

At the ACF Open House that was held on May 4th, many members noted their own suggestions outside of what was offered. This is what they came up with:

- A “Personals Section” that would help match playdates for children.
- Drama Class
- Lego Club
- Wednesday Afternoon/ Evening programs

Please provide any other suggestions or comments below. We look forward to your feedback!
