COVID-19 Policy and Procedures

We continue to put in a lot of thought and consideration in making adjustments at Progress in Motion PLLC to maximize the health and safety of our clients and staff. Below are the accommodations that we will be making so that we may continue our community-based OT sessions.

- Limited shared toys between clients. The only toys/games/activities that will be used will be those that can be thoroughly disinfected between sessions. OT's may have a small bag of objects specifically designated for your child if they cannot be thoroughly cleaned enough to share.
- OT's will wear masks and/or face shields throughout the session. All OT's are also fully vaccinated.
- We ask that if a child tolerates a mask that he/she wear one during sessions.
- We are offering virtual visits for those who would like. This can be ongoing or short term if your child is quarantined but you would like to continue with OT during that time.

Should you answer “yes” to any of the following questions, we ask that you call to cancel your child’s OT session.

1. Has your child, or anyone in your household, had a fever in the past 10 days?
2. Has your child, or anyone in your household, been in contact with someone who has symptoms of coronavirus or has been diagnosed with coronavirus in the past 7 days?
3. Does your child, or anyone in your household, have any of the symptoms of COVID-19?
Including:
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea

Please sign to acknowledge your agreement to cancel your session should you ever answer “yes” to any of the above questions.
