INTRODUCTION

GENERAL GUIDELINES

- Students must follow all contestant rules and guidelines. Failure to do so will result in disqualification. Guidelines are available at www.louisianapta.org.
- All PTA/PTSA units participating in any program will set a deadline for entries far enough before the district deadline to allow plenty of time to collect, judge and forward entries to the district level. All students must submit their work by the deadline established by their unit.
- All PTA/PTSA units have to be a unit in good standing, (according to LAPTA guidelines) to participate in any PTA programs or awards, by the date it is due to the Louisiana PTA.
- All contest forms including guidelines and entry forms are available at www.louisianapta.org.
- For the Reflections Program, local units (schools) are not required to submit online student entry forms, but a paper entry form must accompany all entries submitted to district for judging.
- Your local District Arts Chairperson will have a committee to upload all entries on the district level. Schools are no longer required to do this. Districts will also create a digital back-up of all entries. The instructions will be located at www.louisianapta.org.
