DESCRIPTION: This is a really nice low poundage all-purpose bow. Forest green limbs. Comfortable grip. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing; One superficial stress line on the lower back limb that runs to the end of the riser fade-out but does not extend into the working area of the limb (see pic on last page). A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
