AMERICAN - Tribe

America

The 3+1 Races form the American tribe. Racial Integrity is adhered to. The American tribe preserves customs, dialects and traditions using 1 **GOD**'s laest message, the 'Law Giver Manifest' as guide. All local and foreign pagan cults are, 'Shunned'! For American unity, prosperity there is only 1 religion:

1 GOD 1 FAITH 1 Church Universe Custodian Guardians !

Welcome to the Prairie Tribe

American's the Prairie tribe. Home of immigrants (many came by choice others as slaves) and mixed breeds. They colonized along the coastlines (Atlantic, Pacific Oceans, Caribbean Sea) and along the Missouri and Mississippi Rivers system.

American people have produced and used the atomic bomb. Given us junk food, cola drinks, diabetes epidemic, blubber plague, GM food, motor car highway terrorism. Legalized gun freak terrorism. Smoking, drugs,...overwhelming garbage, high pollution, excess greed. Injustice, corrupt and bad law. Trashy and biased media, entertainment. Chewing gum, mocassin,...lightbulb, microchip, space shuttle technologies. **WEALTH APARTHEID.**

America, where Buffalo and Caribou graze, where Bear and Puma roam, where Wolf and Coyote howl, where Moose ae loose, where Skunk and Raccoon frolic, where Salmon breed and otter play, where Snake rattle and Alligator snap, where Eagles soar, Hummingbirds sing, where every Shire has a totem, home of the Indian Summer.

1 GOD believes in Tribes.

1 GOD's longterm vision for humankind always was that of **7 Tribes** with **7** main languages and many dialects. Globalization is destroying this vision making Globalization Anti-**1GOD**.
