

Simon is a black and Tan Dachshund blend a Chi-weenie. He is approximately 7 months old full of energy. He was previously in a hoarding situation. HTDR was contacted by Pinal County Casa Grande to rescue him. He is a flight risk would recommend keeping a lead on him until he learns to trust you.

(will probably take weeks)

Good with dogs, kids, cats? Good with most dogs not sure about Kids or Cats?

Kennel trained? Yes

House trained? Somewhat

Doggie door trained? Will go out but won't willing come in

Leash trained? Somewhat

He is very skittish and takes time to warm up to people. He gets spooked easily and will run when not sure of a situation. Simon needs a family that will take the time to work with him and get him used to being socialized. He needs someone willing to be patient with him.
