JUNE 2018 VOLUME 61 ISSUE 10

Presidents Message: Has Summer arrived, seems like one day, yes next day ?? - that's New England for you. I want to thank all those that attended the Open Meeting we had with City Councilor Dave McCarthy. He was very informative with the various things going on within Ward 1 and Houghs Neck. Also thanks to Dave and Lt. Gillen of the QPD marine division. The Community Council has a few events upcoming. My favorite Open Meeting will be June 19th at the Community Center with the passing out of \$9,700.00 to 4 high school seniors and 5 college students continuing their education. On behalf of the Scholarship Committee I want to congratulate each and every one of these fine young kids. See the next column for their names and also a listing of everyone that donated this past year to make these Book Awards possible. We are sponsoring the third annual Houghs Neck Street hockey Tournament on June 23 and 24 for registration and additional information visit www.skateshootandscore.org. We will have the results in the July Bulletin. Our annual Illumination Night, July 2, see page 8 for details. On July 3rd the Family Fun Day at Edgewater is always a great time for the kids and grown-ups. Beach Games, hot-dogs and drinks, Bounces Houses and a Patriotic Bike Parade. We can always use some assistance if you have the time to volunteer, contact Aaron Carvin @ acarvin@gmail.com. July 17th the Houghs Neck Blood Drive in memory on Trudy and Chris Peter. Additional info is on page 8. I want to wish everyone an enjoyable June, and summer of 2018. Be safe during the Fourth celebrations, cook-outs and Fireworks. See ya around

Memorial or Honorary Donations

The In Honor Of or Memorials printed in the Bulletin each month are from your neighbors who give a donation. They may recognize a loved ones birthday, anniversary, wedding, birth, passing, letting a friend know you are thinking of them or any occasion. All donations are given to the Houghs Neck Scholarship Fund. On June 16th the Scholarship committee will present \$8300.00 to 3 High School Seniors and 8 College Students continuing there education. Since June, 1964 they have presented \$231,795 to brightest students from Houghs Neck. You may honor a loved one or friend by placing a memorial or in honor of, with a donation. Please send a request to David DiBona 45 Turner Street, Quincy MA 02169.

The scholarship committee also has for sale the "Houghs Neck History" book for \$10.00. Available at E & T Ceramics or by calling 617-479-4107.

The future of Houghs Neck thank's you in Advance for your Generosity.

Birthdays. Anniversaries. My favorite flower. He never forgot anything.

Including making his funeral arrangements ahead of time. I'm thankful that he took care of the details in advance and saved me the added anxiety of having to make dozens of decisions at a difficult time. And because he paid for his services in advance, my family was not left with a financial burden, but with peace of mind knowing his wishes will be honored.

The professionals of Deware Funeral Home took care of all of the details and helped us plan a fitting tribute to a life well lived.

Call us today to set up an appointment with a counselor and to receive your FREE copy of our Funeral Planning Guide.

**BILL DUNN Jr.
MEMORIAL
ROAD RACE**

Registration for
2018 is OPEN

Register Now! for June 30, 2018
The Bill Dunn Jr. Memorial Road Race is a challenging picturesque 5 mile race and 2 mile walk. It takes place every June in Houghs Neck, Quincy, MA, in memory of Bill Dunn Jr.

Bill Dunn Jr. lost his life while boating with friends on July 1, 2006. A proud member of Houghs Neck, he was truly loved by his family and friends and anyone who came in contact with him. His spirit for life and love of adventure is missed by all and this race helps keep his memory alive. A 1996 graduate of Quincy High School, Bill went on to join the Plumbers Union, Local 12. A standout for both the Houghs Neck Manets and Quincy High Football, Bill was inducted into the QHS/NQHS Football Hall of Fame in 2003.

All proceeds from the road race benefit the Bill Dunn Jr. Memorial Scholarship. The scholarship fund is used to enrich those who are in need. Some past recipients of the scholarship include Broad Meadows Middle School, Quincy High Football Players, Quincy High Students, The Houghs Neck Manets, Holy Trinity Parish, Children's Hospital and Atherton Hough Teachers.

We invite you to run the hills of Houghs Neck along the ocean and join in the fun and festivities to keep Bill's spirit alive. Additional info at:

Good News from Houghs Neck Congregational Church

Dear Friends,
 June marks begins my ninth month at Houghs Neck Congregational Church and living in the Houghs Neck community. It has been a privilege and a pleasure to be your neighbor as well as to serve as the pastor of HNCC. My wife Jean, and I look forward to the months and years to come as we live among you in the Neck.

We at Houghs Neck Congregational Church believe that the Holy Spirit of God manifests itself among us in wonderful and practical ways. The center of our community of faith is our Sunday morning worship. Here our faith in the God, revealed to us in Jesus Christ, is confirmed, enriched, and celebrated; in worship we share with and care for each other in our gathering and in our prayer with and for one another. It is a strength of HNCC for which I have a deep appreciation and for which I give thanks each day. We are blessed to have Steve Reed as our minister of music, and to the choir he directs on a weekly basis. HNCC owes a great debt of gratitude to Steve and the choir for enriching our worship each Sunday with the gift of music. God surely smiles each time the choir performs. The choir is taking a break for the summer but will return in the fall, so come join us! HNCC has what we call a Diaconate (from the Greek word "diakonia" which means servant), and a corp of lay leaders (non-clergy) who lead worship as greeters, liturgists, collectors of offering, and servants of communion. Many of these folks you know. In both small and grand ways their servanthood blesses all of us.

We believe that the ministries of HNCC touch and change lives in ways that are visible and evident to us, but to others, perhaps like you, may go unseen. Some of you may have seen me as the king at our the

Princess Tea or as a pirate at our Pirate Fest. It was a great time for all who attended. Some of you may, "What do these activities have to do with church? Why are you doing this? We believe strongly in the words of Jesus when he said, "Whenever two or three gather in my name, there I will be also." In all the activities that we undertake and provide for the Houghs Neck community we believe that, in a way we don't always understand, Jesus is among us when we gather in his name. In the many events that we share with the Houghs Neck community, from selling baked goods at the Chowda Fest, inviting the community to the Lobster Fest, the Chili Cook Off, the Strawberry Festival, to offering the By the Sea Holiday Fair and all the events sponsored by our womens group called the Seaside Social Club, we believe Jesus is there. In all these things, and more, when we serve the community and gather in Jesus name, we see him among us and experience the presence of God. The rest of the community, those of you who don't believe any of this, you may not connect Jesus to these events or recognize Jesus in them as we do, but it is our hope and belief that, unbeknownst to you, you experience his presence through us. When Jesus walked among the people of his day, some recognized him as the Christ of God, others did not. Yet all were blessed by his presence among them.

There are so many in our communities of faith whether in HNCC or Holy Name parish that make Houghs Neck a community that cares and great place to live. To them and all who exhibit the love of God we see in Jesus but may not be affiliated with a faith community, we owe a great debt, and give thanks. Enjoy the summer!

Blessings and Peace,
 Pastor Steve

I have been appointed to chair my first conference committee. The House and Senate both passed legislation relative to increasing consumers' ability to protect themselves should their personal information held by a third party be stolen. The most recent example is the Equifax breach, but it can apply to employee records, financial institutions, department stores, social media and any entity that holds sufficient information to open lines of credit or assume your identity. The other House conference members are Representative Daniel Hunt (D-Boston) and Representative Randy Hunt (R-Sandwich). The Senate conference members are my co-chair Senator Barbara L'Italien (D-Andover), Senator John Keenan (D-Quincy) and Senator Ryan Fattman (R-Webster). The conference members will be negotiating to resolve the differences between the two versions throughout the month of June. Most recently, Congress and the President passed into law their own consumer data breach legislation. We are now working to understand the breadth of federal jurisdiction, to see what consumer protection measures Massachusetts can enhance on top of the federal mandates.

Health Care is the largest economic driver in the Commonwealth, with life sciences making up an increasingly large part of this. On May 16th, the House passed House Bill 4501, An Act providing continued investment in the life sciences industry in the Commonwealth, which authorizes an additional \$462.97 million in bonds to continue investment in the biotechnology industry. Over ten years ago, the State committed \$1 billion in bond funds over 10 years to initially develop this industry. Funding in the new bond bill is directed to a number of areas, including: \$149.75 million for developing innovative capital projects within the University of Massachusetts system; \$10 million in a data processing center on Cape Cod; and \$3.22 million for the Massachusetts Maritime Academy. The annual amount of tax credits would be increased from \$25 million to \$30 million, and the tax incentive program would be extended to 2028.

Other states and countries are making serious investments in developing this industry and this legislation will allow Massachusetts to continue to be a leader in the field. The House voted in favor of this legislation, House Bill 4501, with a 149 to 3 vote. The Senate passed its own version and the legislation is now before a conference committee to negotiate the differences.

This month the House also passed legislation, House Bill 4540, to expand veterans' benefits. It would establish a \$1,000 active-duty death benefit, in addition to any annuity the person would have received. Financial assistance for deceased veterans' funeral and burial costs would be increased from \$2,000 to \$4,000. It would initiate changes in our Emergency Medical Technician (EMT) laws to allow military with specialized medical training to become a licensed EMT. Every municipality in the Commonwealth would be required to designate one parking space at its town or city hall as "veterans-only parking." The House voted 150 to 0 in favor of H4540. The House and Senate have different versions of this legislation that will need to be reconciled before being sent to the Governor.

The House and Senate have each passed their own versions of the FY2019 State Budget and it is now before a conference committee. The Quincy delegation is advocating to the conference committee members to preserve funding that impacts our community. We expect that the State Budget will be approved by the Legislature by the end of the fiscal year on June 30th.

The City of Quincy is one of 82 communities receiving grant funding from the \$2.1 million made available through the Executive Office of Energy and Environmental Affairs' Municipal Vulnerability Preparedness Program. The grant provides communities with technical support, climate change data and planning tools to identify hazards and develop strategies to improve resilience. Quincy will receive \$45,500.

Happy Flag Day! I hope to see you at the parade on June 16th.

HNCC May 2018

Finally we have made it through the month of May, weather hopefully will get a bit better and folks can get out and enjoy. I hope so.

A very successful meeting took place with the MWRA and city officials in regards to the condition of the Dike. MWRA was very up front with their desire to take the lead of restoring the dike's condition. Trees, brush and condition of the surface of the dike are under discussion. A local architect has volunteered his services to put together a rendition of what they want to see along the dike, MWRA agreed 100% to work with the city and make sure we do this proactively and correct. Repair work will be done between Rockland Street and the Adams Shore Library this year. We will be having a Community Meeting on the Condition of the Dike June 6th at the Atherton Hough Elementary School 6 p.m.

The Serposs Clinic Update: The dental clinic as we know came to a close last month at Atherton Hough. Antiquated equipment, facilities etc. were outdated. The State and City both agreed that better options should be made available. A community meeting was held on May 22 at 5 p.m. at the Atherton Hough Elementary School. Dental Records if desired can be attained by calling Andrew Scheele at the Quincy Health Dept. Manet Health will run the trust and utilize the funding to assist folks that had the services at the School.

Attended a Houghs Neck Community Council Meeting on May 15th at the Manet Health Center. Touched on many topics from post storm conversation to park updates. I had a great crowd that night and enjoyed it very much. Just to touch a few park updates we discussed the overhaul of the Lawrence Grenham Playground on Macy Street, Restoration of Brill Field which I hope to have something going this summer, Greg McKinnon Playground at Chapel Street cleanup and more .. All the parks are on my list. No one gets left off. Other subjects discussed were road construction work, which

should be ending, Maritime center new ramp construction and overall issues in Houghs Neck.

Bayswater Boatyard Community Meeting.. On May 24th I hosted a Bayswater Boatyard meeting to discuss boat ramp condition and use, Boathouse use and procedures, Boatyard hours and access. Discussions were very positive by all. Bob Gillan has been great with championing boater safety initiatives, dock placement and overall concern for the entire operation. Folks expressed their concern about boatyard access which Don Martin, Director of Parks is addressing in the coming weeks. Access to the yard should be an easy task and we hope we can help. The playground located at Bayswater will also get the attention it needs.

I hosted a May 10th Massachusetts Coastal Coalition at Atherton Hough Elementary School on Sea Street from 6 p.m. to 8 p.m. Again a great night for guidance and facts on flood insurance, claims, post flood issues etc. This group has been instrumental with the FEMA/Flood maps, flood zone requirements and elevation certificate protocol. Please contact me for additional information if needed.

Attended a wonderful Eagle Scout Ceremony at Houghs Neck Congregational Church for Frank Reich last month. Frank achieved the highest award attaining Eagle Scout that a scout can achieve. He showed me a young man with integrity, respect and professionalism. Requirements include earning at least 21 merit badges. The Eagle Scout must demonstrate Scout Spirit, an ideal attitude based upon the Scout Oath and Law, service, and leadership. This includes an extensive service project that the Scout plans, organizes, leads, and manages. Congratulations Frank.

We have a busy summer coming up as always in Houghs Neck, please be careful and be safe boating especially as the weather gets warmer. God Bless

TROOP 6 NEWS

We have continued to have an amazing spring with one of the coolest camping trips ever this past May! For the first time, Troop 6 participated in the Highland Games Camporee on Nantucket! We took the ferry over from Hyannis on Friday night, May 4th, and spent the weekend at Camp Richards with nearly 300 other scouts and scouters from all over Massachusetts. All of us were dressed in our Scottish best – wearing kilts! It was quite the sight to

lead his fellow scouts in removing over a thousand pounds of trash from the crusher – everything from an engine block to a dishwasher to bikes to coolers and bags and bags of smaller things. He also mapped and widened the trails and installed an information board by Pawsey Street and installed trail markers as well. There is even a website that you can learn more about the interesting history of the Crusher at <http://www.troop6quincy.com/crusher>. If you

are looking to take a walk and enjoy some of the beautiful weather we are finally having, I encourage you to check it out! (Wear bug spray!)

The Troop is also extremely proud to announce that Jacob Walsh has passed his Board of Review for Eagle Scout and we will be having an

see! We spent Saturday participating in nearly a dozen different Highland based games – everything from the sheaf toss and caber toss to archery and cairn building. The scouts were split into two clans and every clan had to wear their clan colors and carry their clan flag and competed against the other clans for trophies and honor. The weather was fantastic and the pig roast on Saturday night was absolutely amazing!

Later in the month, we were lucky enough to welcome 3 new scouts into the Troop as they crossed over from Pack 6. Luke Rheault, Shawn Perry, and Jayden Browne are the newest members of our Troop 6 family!

Continuing our long history of service to the community, Jake Gordon has completed his Eagle Scout project over the past month by cleaning up the Crusher and making it a friendlier place to explore. He

official ceremony for him in early July!

Troop 6 does a fantastic job of keeping our program affordable for all scouts, and our bottle and can drives are one of our biggest fundraisers. Our next bottle drive is June 9th from 9-12 in Labrecque Field parking lot. Our bottle drives will continue to be on the second Saturday of every month, weather permitting. Please consider donating your soda and beer bottles and cans to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Yours in Scouting,
Rob Gordon, Troop 6 Scoutmaster,

Harvey's Salt Water Fishing Club

Will hold a fundraiser to benefit the Annual Disabled Veterans Day Salt Water Fishing Trip

The fundraising event will take place at the Town River Yacht Club, 60 Mound Street, Quincy, MA on Saturday, June 16, 2018 starting at 7:00 P.M. and running until 11:00 P.M.

The event includes DJ Music by Mike Murphy, a hot and cold buffet, raffle prizes and a cash bar. All proceeds will go toward the 62nd Annual Disabled Veterans Fishing Outing. "We need your help and support to provide our disabled veterans with one day of outdoor fishing," stated former Quincy City Councilor, Michael Cheney.

This year will mark the 62nd year Harvey's Salt Water Fishing Club has provided disabled veterans with a fishing outing. Cheney stated "For some disabled veterans this is the only day trip out of the hospital. They have given so much for our country the least we can do is provide one day on the water fishing."

Members of the Harvey's Salt Water Fishing Club and friends of disabled veteran's have been proud to host this event 61 years. Volunteers from all walks of life including local lobsterman take the day off from work to help make this a special day for our disabled veterans. Cheney stated "It would be impossible to recognize everyone involved in making this event possible however on behalf of all the disabled veterans

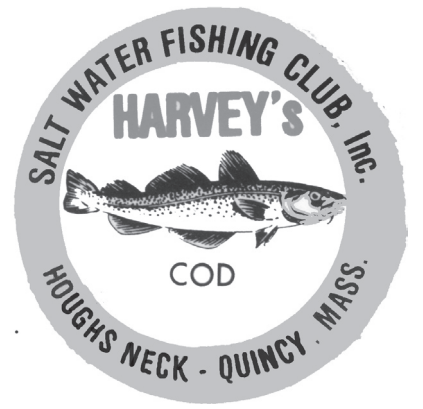

from area hospitals I would like to thank everyone involved weather you donate a dollar or assist on Vet's Day. I would like to thank you for your past help and support. Your involvement has made a difference. This year we need your help more than ever."

This year is special, not only because it marks the 62nd anniversary of this great event but because we are at war and unfortunately, every day we add another disabled veteran to the rolls.

Tickets are available at the door at a cost of \$15.00. All proceeds will go to offsetting the cost of running the Vets Day Event. There are sponsor forms available as well for anyone who wishes to sponsor the event.

We have been proud to be a part of this exciting event and we would like to thank everyone for keeping this tradition alive. If you are unable to attend to can send a contribution to:

Houghs Neck Illumination Night

Best illuminated house contest July 2nd @ 9:00pm
 A night where we judge the best illuminated house for Independence Day. Use lanterns, lights, candles and fun but also be safe. If you wish to enter into the contest please contact Tom Timcoe or email hncbulletin@yahoo.com

This event is a revival of an old Houghs Neck tradition when cottages were decorated with Chinese lanterns and bunting, the tradition dates back to the 1880's. We meet at LaBreque field at 9pm July 2nd and will leave together in a convoy of cars to visit each of the houses. The tour is expected to last 2 hours. This is a free event. For more details email hncbulletin@yahoo.com

**Hough Neck Community Council
 Annual Family Fun Day at Edgewater Beach**

The Houghs Neck Community Council would like to invite you and your family to attend this years Family Fun Day at Edgewater Drive Beach on July 3rd from 10am to 1pm. The day will be filled with games, face painting, music, inflatables, a dunk tank, prizes, and more. This free annual event has become a staple in our community and if you have never had the opportunity to attend or maybe it's been a while, I want to encourage you to make it part of your holiday this year. If you would like to volunteer to help with the event or have any questions related to the event, please feel free to contact me at acavin@gmail.com. There will also be a bike parade that will begin at the community center and end at the beach. Children and their parents can show up at 9 to decorate their bikes with patriotic decorations. For more info on the bike parade, please contact Cynthia Lewis, seapeony@comcast.net.

Come visit the former site of the Tidewater Broken Stone Company!

Never heard of it? You probably know the site as the Crusher! Did you know that it wasn't granite that they quarried there? Do you know what famous family once owned the property?

Recently, I held my Eagle Scout Project at the Crusher, which is right off of Pawsey and Rhoda Streets. The Crusher is rich in history that has been forgotten by most of us and as part of my project I researched the many uses of the Crusher. Some of this information is now displayed on a sign at the main entrance to the site and there is more on the web at www.troop6quincy.com/crusher. There is also a trail map and trail markers in the trees to keep you from getting lost and thanks to the help of Troop 6, there is a lot less trash up there. The Crusher is now cleaned up and ready for your exploration this summer. Please be sure to use bug spray and carry out any trash that you bring in, so we can keep this area in good condition.

On April 28, I held a trash clean-up with Troop 6 and pulled out over a thousand pounds of trash.

On May 26, the project was completed and the informational sign was installed at the Pawsey St. entrance.

On May 26, we put up trail signs that correspond with letters on the trail map that is on the main information board and available on the website.

The Crusher was a trap stone quarry and is commonly confused with the granite quarries of Quincy.
