Shining Charlotte

"Gets Through To The Bully"

Once upon a time Shining Charlotte, Bell and Cinderella were at school playing teatherball. When Ursula came over and said “you're fake playing”! With a bad attitude she said “I’m gonna teach you how to play”.

Ursula takes over their game. Being bossy she makes the rules and tells them how to play. Shinning Charlotte, Bell and Cinderella play the way Ursula makes them.

Shining Charlotte, Bell and Cinderella felt sad because Ursula was bossy to them a lot in school. So, the girls told Ursula you are hurting our feelings when you are being bossy. It's like you are a bully. Ursula says, “too bad, deal with it”. Shining Charlotte had enough of Ursula's attitude! So, Shining Charlotte told Ursula it seems like you are unhappy, is that why you are so bossy? Do you want to be friends?

Ursula put her head down and said yes, I want to be friends. Then Shining Charlotte starts to shine a rainbow of colors all around them and butterflies surround them. They all hug and play happily together.
