

Kremmling Preschool Newsletter

March 2, 2022

NEW THEME - With the new month comes a new theme. We are talking about all things Dr. Seuss as well as starting the new theme of "Sand and Sea". The second half of the month we will be learning about "Sunny Savanna". We are introducing the letters Ss, Tt, Uu, numbers 15 & 16, blue, and oval.

MS. KALONIE'S KORNER - "The kids did great while I was gone to help my mom. I am so proud of them! I missed them so much and I think they missed me too. We are starting on a sand and sea unit and we all know that's going to be a blast!!"

BIRTH - 5 YEARS DEVELOPMENTAL SCREENINGS - On Friday, March 11th, Kremmling Preschool will host the our annual FREE developmental screenings from 9am - 1230pm. The Kremmling Preschool facilitates these developmental screenings for children birth - 5 years. They are conducted as a means for families and staff to identify children that are possibly in need of extra family or individual support. They also serve as an opportunity for families to just "check in" with specialists and teachers and see where their child is developmentally. In other words, you don't have to have a concern to attend these screenings, they are open to anyone. If you're interested in having for your child screened or know of someone who you think might benefit, please register soon or contact Michele for more information. Children currently enrolled in preschool DO NOT need to schedule a screening as they have already been screened. Please call Michele at the preschool (970) 724-9483 for more information or to register your child. Space fills quickly!

SPRING BREAK IS COMING! - Don't forget ... The preschool will be closed for spring break, March 21-24, 2022. Enjoy your spring break!
