Disclaimers

* This product is backed by a no-risk guarantee for first-time Sage 50 customers. If, within 60 days of purchase, you are not convinced that Sage 50 is the best accounting program for your business, we will refund your money (less and rebate you have received for this purchase). Dated proof of purchase and return of product is required. For details, call 877-481-0341.

1. Versions 2010–2012. Excludes conversion of QuickBooks individual payroll transactions. For additional information on conversion limitations, please visit: http://na.sage.com/sage-50-accounting-us/lp/qb

2. Requires Microsoft Outlook 2003, 2007, or 2010; Outlook Express 5 or 6; other MAPI compliant email programs.

3. Sage is not liable or responsible for any fines or penalties that may result from errors in your company accounting records. The Internal Accounting Review is not intended to uncover all questionable transactions.

4. Features and fees vary by solution. Additional fees apply. Registration, authorized signature, valid email address, Internet access, and credit card required. May be subject to approval. Forms (except W-2s) for PR and US VI are not supported. A Sage Business Care Gold or Platinum subscription is required for all payroll functionality except Sage 50 Managed Payroll. Subscriptions are autorenewing and subsequent years will be billed to the same credit card each year on the anniversary date of your purchase at the then-current rate. For details see www.Sage50Accounting.com/payroll or call 877-231-3761.

5. Subject to approval and to Sage Payment Solutions terms and conditions. Additional fees, including swipe terminal for card present transactions, Internet access, and credit card required.

6. When opening more than one company, you will be able to perform all functions except those that require exclusive company access or third-party integrations in companies opened after the first one.

7. Sage 50 does not impose a hard limit on database capacity, however, individual performance will vary depending on actual number of transactions, database size, and number of concurrent users. Data management efficiencies are also realized in the Sage 50 Accounting 2013 products.

8. Performance results are based on recommended system requirements for Sage 50 Premium Accounting 2013. Results may vary based on configuration, size and content of data file, system and network traffic.

9. Multi User licenses available in 5, 10, 15, 20, 30 or 40. A maximum of 40 licensed, named users is allowed. Only the first 40 named users selected in the user maintenance screen are considered licensed, named users.
