

Global and Cultural

We celebrate diversity and culture in a variety of ways-

- By having a clear and strong values led ethos throughout our school community
- Spanish is taught throughout KS2 weekly.
- Weekly workshops over the year have included British Sign Language, Makaton, Countries around the world, Exploring India, German, Art around the world, Heroes, Music through the decades.
- African Dancers, Indian drumming opportunities for the children during ARTS week every year.
- Curriculum Learning Drivers that explore different cultures and countries around the world are typical of our Question based curricular design.
- PSHE Society – We have incorporated their ASK scheme of work across the school.
- Whole school visits to different places of worship – Church, Mosque, Synagogue, Temple every two years.
- Learning throughout the school celebrating different cultures visually
- A range of cultural texts in each unit and the school library
- Weekly assemblies with a specific focus on promoting values and celebrating differences
- Charity work – raising money for Children in Need, Comic Relief, sending presents to children at Christmas, donating food to the homeless.
- Children are immersed in the Arts and Music from different cultures, as well as learning songs that celebrate festivals or celebrations of cultural significance from around the world.
- We have a British sign language choir that performed at our Summer Fair.
- The School Council has represents the school at local November 11th Memorial services or we are visited by the British Legion.
- All pupils perform **annually** to an audience of their families –from Nursery to Year Six – a play that celebrates British cultural influences/celebrations as well as including music and dance from a variety of cultures.
- Our School Council visits the headquarters of Nottingham City Council to experience and understand Democracy in action annually. They also visit the Galleries of Justice to gain a greater understanding of Crime and Punishment and the rule of Law.
- Participate in local history/heritage projects related to the development of the local town centre in the past and the future.
- All children visit different local places of worship over the seven years with us to gain a greater insight into how different Faiths influence the daily lives of their followers.
