**Old Business:**Department Reports:

*Tax Collector/ Town Clerk-* Lisa reported that everything is caught up.

*Fire Department-* Jes reported that the FEMA funds requested should be received soon. Medical clearance for N95 masks start to expire in May. Jes also noted there is a lot of changeover in Lincoln county EMA. FOMVFD are working on the first aid station in the Fish and Maine building. The plan for the 911 repeater is being reworked due to possible renovation of the power station. The equipment needs to be moved from freight shed, it might be stored temporarily at the north barn.

*Wharf-* Michael reported that funding for the pile replacement project was approved at town meeting. Prock is looking to begin work in the middle of May. The plantation has the option of keeping the old piles.

CBAC Update:

An RFP is in the works for renovating the power station to accommodate broadband equipment.

METF Update:

The seabed survey is still underway. A public scoping session is tentatively scheduled for May 26<sup>th</sup> via zoom as part of the NEPA process.

Sunken Boat in Harbor:

Jim is working on coordinating the diver and barge to raise and remove the vessel.

Municipal Administrator Update:

Work this past month was mostly focused on preparations for town meeting.

Ferry Advisory Committee Update:

The committee had it's first meeting with Andy and Amy where discussion focused on the survey results. The committee hopes to have regular, quarterly meetings.

Sea Level Rise Project Update:

The project is nearly complete. Andrew spoke with Baker Design about a wharf resiliency review.

Monhegan COVID-19 Taskforce Update:

The next meeting is on the 15<sup>th</sup>. The second vaccine clinic from the Seacoast Mission was on March 31<sup>st</sup>. The J and J vaccine is currently on pause due to blood clot concerns.

Investment Committee Update:

No update.

Town Meeting:

There was a missing page in the annual report. All remaining copies have been updated as well as the online version.

A follow-up discussion about Vehicle Permit Fees ensued. Carley will research the legality of creating a vehicle ordinance as a plantation. Michael will collect input from the community.

Discussion ensued regarding the plan for public restrooms. It was suggested to have one at the school if possible. Jim will reach out to the Monhegan House to see when they plan to open their public restroom.

Discussion regarding the Assistant Harbor Master position will resume when the Harbor Master is back on island.
