

# ONCE

Once upon a day  
We saw our dreams across the  
Promised land  
Set out on a road  
In someone else's clothes and  
Borrowed vans  
Reached into the dark  
And sent our messages  
Into the air  
Sleeping in the sun  
So sure that love was waiting  
For us there

Someone tried to tell us then  
We'd travel back to where we'd been  
Everyone became a friend  
For a while

Once upon a night  
Looking out into the  
Waiting faces  
The feeling of your eyes  
And then moving on to  
Other places  
Made my way back home  
And saw you later in the  
Funny pages  
Now we're both alone  
And living out the story  
Of the ages

If we could have known back then  
We'd come back to where we'd been  
Would we do it all again  
If we could

Someone tried to tell us then  
We'd travel back to where we'd been  
Everyone became a friend  
Once upon a time again  
If we could have known back then  
We'd come back to where we'd been  
Would we do it all again  
If we could
