APPLICATION ESSAY

1. What is your current grade level?
2. What is your Major? If not currently in college what is your anticipated major or field of interest?
3. What do you hope to accomplish with your college degree?
4. Scholarship Essay. Please attach separately and make sure to put your name on the essay*.

* *The essay should briefly state: "What this scholarship means to me".* Essays should be no more than two to four paragraphs, one page maximum, and personally signed. The writer should avoid writing about the apparent benefit of "pays for tuition or eases financial burden" as a major premise. Good letters are from the heart and tell the reader a short story, for example, answering the question, "How does the award matter or change my life; what is the benefit to me or others by going to school?"

In consideration of the scholarship the recipient(s) agrees to provide the Airborne Scholarship Association an update on the recipients chosen path of education for each year a scholarship is awarded: e.g. Mary Doe anticipates graduating from high school and then attending NC State University in 2024; Susan J. Doe – will attend UNC-CH fall of 2024; John P Smith – is attending ABC Technical School studying _____.

Additionally, a close out report is desired when the student has completed his/her studies: e.g. College course of study or graduation degree when attained (including major), *the year of graduation, the degree or certificate awarded and by which institution (e.g. Susan Doe graduated from UNC -CH in 2024 with a _____ degree).*

Failure to provide these update reports may disqualify the recipients from future scholarship awards.

The above information should be emailed to Mike.lynch1@icloud.com
