The feast of the Body and Blood of Christ is a very special celebration in the Catholic Church. We celebrate, on this day, the most precious sacrament of the Holy Eucharist. It is the sacrament of love. In this sacrament, Jesus gives himself to us totally so that He may remain with us.

The bread and wine, after consecration, become the true Body & Blood of Christ. The smell, taste, and look remain but the substance has become the Body and Blood of Christ. Our senses may perceive them as just bread and wine, yet our faith must believe they are the Body & Blood of Christ. This is the core/center of our faith.

Celebrating the feast today reminds us that Christ has left us the most precious gift of himself and invites us to give ourselves as gifts to others through our services, sacrifices and prayers. We are also invited by Christ to be in communion with Him in our daily lives through receiving sacraments, praying unceasingly and attending Mass regularly.

St. Pius X Holy Land Pilgrimage Sept. 20-29, 2024

After years of hearing the Gospels proclaimed at Mass, after years of proclaiming the Creed and partaking the Body and Blood of Christ at Mass, imagine hearing those Gospels proclaimed, celebrating mass, and receiving the Body and Blood of Christ in the very places where Jesus was born, was baptized, and where he ministered, taught, healed, suffered, died and rose from the dead. On this Catholic Pilgrimage to the Holy Land, you will visit all of these sacred places and more. We will celebrate mass in Bethlehem, on the Mount of Beatitudes, Jerusalem's Garden of Gethsemane, and the Church of the Holy Sepulchre, and in the small village where Mary visited Elizabeth and John the Baptist was born.

Our 10-day pilgrimage includes first-class hotels, international flights, overseas airport transfers, breakfast and dinner daily, deluxe motor-coaches, professional guides, all entry fees, and most gratuities.

Acts 2:42 Groups

LIVING THE EUCHARISTIC REVIVAL

THEY DEVOTED THEMSELVES TO THE TEACHINGS OF THE APOSTLES, THE COMMUNAL LIFE, THE BREAKING OF THE BREAD AND PRAYER. - ACTS 2:42

And they devoted themselves to: the Breaking of the Bread

To the early believers, the "breaking of bread" was the sign of the Church's fellowship and of communion with God. God had drawn His people collectively into fellowship with Him. They could not sustain that relationship with Him unless they kept communion with one another, devoted themselves to the apostles' teaching and fellowship [*koinonia*], to the breaking of bread and the prayers."

This is the way we should live as a Eucharistic people. During the National Eucharistic Revival, our parish will be hosting Acts 2:42 Groups. These small groups will meet once a month from fall to spring. These small faith-sharing groups will share a time of prayer and fellowship as they learn and reflect on a message from Bishop Medley. Please prayerfully consider being part of this Revival.

The St. Benedict Shelter Ministry at St. Pius X are in need of more shift volunteers to help serve on the three shifts on the third Thursday and Friday of each month. The shifts are 8 pm – 12 am, 12 am – 4 am and 4 am – 8 am. Each shift has two volunteers. This is a rewarding ministry that the residents at St. Benedict's Shelter very much appreciate. Please prayerfully consider signing up for this ministry.

We currently have nine shift volunteers. With two teams, you will only have to serve once every other month, and possibly not that often, depending on the number of volunteers. Thanks for your prayerful consideration.

SPIRITUAL LIFE COMMITTEE

Ven. Mario Hiriart

Venerable Mario Hiriart Pulido was born in Santiago, Chile, in 1931. Born with fibroids on his neck and torso, he had to undergo multiple surgeries throughout his life. He was educated at Catholic schools and, after graduating with the highest honors, entered the Faculty of Engineering at the Catholic University of Chile.

In his early adult life, he learned about the Schoenstatt Apostolic Movement and became its champion in Latin America. The Schoenstatt movement was founded by Father Joseph Kentenich as an effort to involve lay people in apostolic work and unite various factions of the Catholic church under the mantle of Mary. It is named after the place it was originally founded in Germany, a name meaning "Beautiful Place." The movement invited men to dedicate their lives to the guidance of Mary, mother of God, and to live out their years in service to the church and their communities.

After receiving his engineering degree and teaching for a time, Mario spent 3 years in formation with the Schoenstatt movement in Brazil. During that time, he led a silent and prayerful life, thoroughly working through the Schoenstatt spirituality and committing himself to the Secular Institute of the Schoenstatt Brothers of Mary in Brazil. Following his personal consecration to Mary in the shrine of the Bellavista in Chile, he worked as a lecturer and teacher in the Department of Engineering at the University of Santiago. As a civil engineer and devout Catholic, he wanted to help shape the world, stating in a letter that, "I want to be a personified encounter between heaven and earth!"

In his early 30's, Mario was diagnosed with terminal brain cancer. Upon hearing this sad news, Mario stated, "Interesting, interesting ... Since my youth, I have had the desire to die at the same age as Christ was when he died." He passed away while in Milwaukee, Wisconsin, for chemotherapy treatment on July 15, 1964, at age 33, the same age Jesus was when he was crucified. Of Mario, Fr. Kentenich said that there is something great about a person who lives his total devotion so consciously, so gladly, so completely like Mario. Pope Francis conferred on him the title of Venerable in 2020.
