**The last 30 minutes, we will talk about the season, cost and expectations.**

If your player is unable to attend the evaluation night and wants to play on a competitive team, please contact Rudy Kessler or Travis Larson.

The team will practice on average 2x per week, starting mid-August. The season ends at the beginning of November. It is expected to attend practices on a regular basis. Games are typically Saturdays and/or Sundays and will be played within the MAYSA (Madison Youth Soccer Association) district. We have the intention to create 2 teams who will practice together. This depends on the number of interested players.
