#### 1. Architecture Committee Update:

- (2) The Highview lots have had grass cut around drainage area
- (3) 272 Marina Drive will address issues.
- (4) Driveway discussion on East Highview expressing the Board's concerns.
- (5) Formal notice sent re: the Camper on West Highview. Will be teeing up a tow service.
- (6) Nick Klaiber will no longer act as Architecture Chair after the Board elections in May, and in the interim, will continue to act only on what is absolutely necessary.

#### 2. Update on the Community Docks/Slips:

- 1) Purchased \$220 worth of additional Dock Keys
- 2) Work on the Dock is progressing very well. They started laying new boards but there are places that will take awhile to get to due to the high tides.
- 3) Mike Arthur is now the Assistant Dockmaster. He will be helping with Dock management.
- 4) There are 6 remaining boat slips available for this summer. Anyone wanting a slip must be in good standing and complete and return the Amenities form in with \$200 fee.
- 5) The bulkhead on the right side needs to be built up or we will lose the entire bulkhead all together.
- 6) We are looking into a price to cut a tree down that is learning over part of the bulkhead.
- 7) There are dock keys available to hand to those that need a key. Make sure you fill out the Dock Key Form with a check or cash for the \$20 deposit, also make sure you are in good standing as far as dues are concerned.

# 3. Update on Pool Repairs:

- 1.) The pool repairs are progressing. They have completed fixing the filter and are building a platform to raise the pump and motor so that all of the electrical equipment is out of the normal depth of water that has flooded the pump room in the past.
- 2.) Don Smith and Ken Beutel have cleaned out the sump and replaced the old sump pump that had a failing float switch with a new and more powerful one with a different kind of float switch.
- 3.) Once the changes are made, JDO Pools (new name for Sevarg) can begin the process of opening the pool next month.
- 4.) We also have pool keys for anyone in the community who still has not been given a key and would like to get one. All they need to do is fill out the amenities form and get it to Ken.
- 5.) The pool is run and maintained by neighborhood volunteers that help maintain the chemicals between visits from the pool company, and remove trash; please be courteous and if you create a lot of trash take it out with you when you leave. Also, reminder that there should be no glass poolside.
- 6.) A motion to remove the diving board was made by Lisa Adler and seconded by Deb Beutel to remove the diving board based on safety concerns identified by JDO Pool Company and our

insurance company. Eight Board members voted in favor of the removal of the diving board. Cristian Shirilla voted against removal of the diving board. The motion was passed.

#### 4. Update from Roads & Grounds Committee:

- Concern has been raised on the condition of the bank eroding on Corrotoman extended across from Lots 3 & 4. Coordination is being conducted to discuss additional remediation efforts.
- The roof on club house was fixed.
- Bids for repairs of Wishing Well Lane were requested from four contractors and two bids were received. A motion was made by Deb Beutel and seconded by Nick Klaiber to authorize expenditure of up to \$4,000.00 for repairs to Wishing Well Lane. It was unanimously approved.
- Several phone calls were made requesting estimates for Asphalt patch repair to CBTB roads, with no response from any contractors. Will continue to seek additional estimates.
- Screen Door removal on the clubhouse
