August 2017 – Menachem Av 5777

Dear BYCT Member and Supporters,

Now that we are approaching *Chodesh Elul*, planning for the *Yamim Noraim* and 5778 is in order. Those who have led the davening and provided uplifting leadership in the past, will again be present this year. **Rabbi Joseph Oratz, Chazan Rishon, Lennie Brandwein, Chazan Sheni and Baal Kriah, Martin Lewitter, Baal Tokeiah, Lenny Lauer Ira Penner, Gabbaim. Y'yasher Kochachem** to them all.

We trust that we can count on your continued support, participation and membership for 5778. If you are not currently a member, please consider supporting us today with your membership. If you plan to continue your membership and/or support, we thank you for your continued efforts. If you will not be davening with us on Kol Nidrei we ask you to consider contributing to this single request for funds we make each year. **Major expenditures were needed this year for building upkeep and your contributions are greatly needed.** Please use the enclosed return envelope to reflect your choices and contributions and provide updated information, especially, **preferred email address.**

Please note, dues and seat charges have not changed since last year. We have added a **Supporter** category for those desiring to support the Shul financially, even if they participate only occasionally. We greatly appreciate everyone's help.
