

The Grand Lake Association Arts and Craft Show on the Green
8025 E. Grand Lake Rd., Presque Isle, MI. 49777
August 13, 2022

This show was started many years ago by a few of our local artists. The next show will be our 46th Annual Grand Lake Arts and Craft Show! It is traditionally held on the second Saturday in August and runs from 10:00am - 4:00pm. For 2022 it will be on August 13th.

For 2022, the location will be on the lawn in front of The Grand Lake Community Chapel and in the Homestead Park. Each exhibitor's outdoor space will be a generous 10 x 10 foot space. You should plan to stake or bring weights to batten down your tent so it doesn't get picked up by wind gusts. Please fill in your divots when you clean up and help your neighbor if you are able. The charge for the show is \$30. If you pay for the 2022 show on August 14, 2021 it costs only \$25. East Grand Lake Road runs along the eastern shore of Grand Lake, starting at the Hideaway Bar north of Alpena, MI and ends at the New Presque Isle Lighthouse. The park and chapel, where the show takes place, is about half way between them.

The fee includes the 10 x 10 space, coffee and donut, advertising, and overnight security guard.

Set up time is on Friday evening from 4:00 - 8:30pm and/or Saturday morning from 7:00 to 9:00am. You should be able to drive up to your space. Please do this quickly so the next exhibitor can get in to unload. Parking for exhibitors is in the lower dirt lot.

The GLA has a booth near the log cabin. Please take a raffle item donation there for their fund raiser. It is much appreciated.

There is also the opportunity to camp overnight in the dirt lot if you have a camper or trailer. There will be no electrical hook ups available. Please call ahead to reserve a space.

The show goes on rain or shine. No refunds. If there is a Covid type cancellation, your fee will carry over to the following year.

If you need more information, have comments or suggestions, please feel free to connect with one of the committee members. Always looking for new artists. If you know of someone, please share this information with them.

Sincerely,

Meaghan Duly, Corky Gates, Nancy Stevens, Janet Hainstock Straley and Deb Burr
