### Notice to Residents

In the event that Third Avenue is closed for repairs of any sort, the Public Works Department makes it a priority to ensure that there is an alternate route for accessing the top end of Third Avenue, including Ecomadina and Neesomadina Avenues.

This alternate route, informally known as the "Forestry Trail", can be accessed from Highway 631 South at the bottom of the curve leading to Uncle's Restaurant. The alternate route leads you through to the top of Third Avenue where it turns into Government Lake Road.

Emergency personnel (EMS, OPP and the Fire Department) are always notified when road closures occur as are any bussing companies (school or employee) in order to prevent lapses in service. As always, the Township tries to keep these disturbances to a minimum.

Should you have any questions regarding this route, please do not hesitate to contact Dennis Mackie, Road Superintendent at 868-2212 or the Municipal Office at 868-2020.
