# Are you ready for a life-changing experience?

- You will get the chance to relax and hang-out with the young people in Poland too. You will also be able to visit the surrounding area. There will be time during the mission-trip to visit the beautiful city of Krakow and also the very moving experience of a visit to the Auschwitz WWII prison-camp.
- The team from BEC will travel to Poland in the minibus and will visit various cities across Europe as part of the trip. This may include visits to various other places that we stop at on our journey i.e Bruges, Leipzig, Prague etc

## THE INFORMATION...

### What we will be doing?

- We will travel out to Poland and join a group of Polish young people from the town of Krotoszyn in south-western Poland to help run an activity club for 8-13 year old children in the area! This exciting opportunity will give you the chance to get out of your comfort zone, meet some Polish teenagers, find out what it is like to be a Christian in another country and also help some children have fun through sports, music, stories, arts and teaching them some English! The Polish/English teams will also have some time to worship together as they serve God alongside each other for the week.

Many of the young people speak English but you will get the chance to launch out and speak some Polish too!! They are all looking forward to meeting the team from the UK, so why not take up the challenge and be part of this amazing two-nation team!!
