

Objective

While I am bold enough to stand out and be a proficient graphic designer, I thrive on being a part of a team that collaborates and trades ideas to achieve the best creative result.

Software Skills

Adobe Photoshop CC	Adobe Flash CC	Adobe Premier Pro CC	HTML
Adobe Illustrator CC	Adobe Dreamweaver CC	QuarkXpress	CSS
Adobe InDesign CC	Adobe After Effects CC	Microsoft Office	Mac OS and Windows PC
ArcGIS Pro			

Experience

Graphic Designer **Metropolitan Transit Authority, NYC Transit** September 2017 – July 2020

- Exercise Graphic Design principles to best convey the NYCT's message through both digital and print formats.
- Work on service notice packets and prepare print ready deliverables to the NYCT print shop.
- Collaborate daily with a team of Account Executives.
- Create across various mediums such as brochures, posters and FYI Network Digital videos with the goal being to exceed client expectations.

Adjunct Graphic Design Professor **Touro College** September 2014 – September 2017

- Instruct students of varying levels (Freshman–Seniors) in Typography, Photoshop, InDesign and Web Coding.
- Create and Implement a lesson plan that enriches the students knowledge and perception of design.
- Assist students development as a graphic designer through both fundamental and "outside the box" thinking.

Graphic Designer **USA Tees** January 2013 – May 2013

- Created graphics and prepared separations for screen printing on clothing.
- Managed multiple clients simultaneously, while meeting fashion brand demands.
- Worked hand in hand with screen printers to ensure correct color accuracy and alignment of plates.

Graphic/Web Designer **DCD Marketing** January 2010 – February 2011

- Worked directly with clients to establish and maintain a cohesive branding and marketing campaign.
- Designed banners, logos, posters, signs. websites and weekly circulars.
- Oversaw the print production of materials.
