

HAYFIELD FARM SWIM CLUB

Summer is here!

Welcome to our returning and new members for the 2022 season! Opening day is Saturday, May 21, 2022

Social Events

The social committee is busy working on our 2022 events. Look for more info on our Facebook page throughout the season: www.facebook.com/groups/132088287208

Pool Rules

Check out the pool rules on our website, www.hayfieldpool.com, or in person at the front desk when you check in this summer!

I hope to see everyone at the pool clean-up day scheduled for 05/07/22. Your help is greatly appreciated.

Saturday May 21, 2022 (opening day) is just around the corner! I hope you all are as excited as I am for the swim club to open!! For the first time in three swim seasons the pool will open following pre-COVID procedures. We will be opening to the full capacity as our occupancy permit allows, the pavilions will be available for rent (first come, first serve), the snack bar will have a full menu, guest will be permitted, swim lessons will be offered and the volleyball and basketball area will be open. We will still offer the self-service cleaning stations for member use as desired.

I want to take a moment to thank my fellow Board of Directors, who meet all year round and donate countless hours towards the swim club to make it such a great place to enjoy all summer long. See you around the pool!

Pool Cleanup Day - May 7, 9am-2pm

Please join us for our annual pool cleanup day on May 7. It takes a lot of work and many hands to get the pool ready for opening day! The larger the turnout, the quicker we get the job done. Volunteer a minimum of 2 hours at cleanup day and you will receive 5 guest passes good for the 2022 swim season (limit 5 passes per family, must have paid 2022 HFSC dues or obtained a lease for 2022). In order for you to receive the guest passes, you must sign in and out at the sign up table. The table will be located near the gate next to the snack bar area.

In past years, we have been able to end by 1pm. In order to qualify for the complimentary guest passes, please plan to arrive in plenty of time to get the minimum 2 hours of time recorded.

SWIM & DIVE TEAM UPDATES

The Hayfield Farm Swim and Dive Teams are back this year and competing in the Northern Virginia Swim League (NVSL) with other swim and dive teams in the surrounding communities across Northern Virginia. It will be a season of friendships, fast swimming, awesome diving and sportsmanship!

Head Swim Coaches Jenny and Kate with Swim Coaches Aaron, Liz, Elizabeth, Corbin, and Kaitlyn and Head Dive Coach Lauren are all excited to work with our swimmers and divers! Our team begins after-school practices on the Tuesday after Memorial Day (May 31) and switches to morning practices on Monday, June 13th. Many of our team members have conflicting activities, so don't worry if you cannot make all of the practices. We will have competitive meets and B meets this summer. Swimmers and divers must be registered before starting practice. All new swimmers need an evaluation.

We do not have a new suit this year. If you have a suit from last year, it is current. If you need to purchase a new one, you have several options. The team suit sale at the pool is scheduled for Wednesday, May 25, from 6:00-8:00 or suits can be purchased online at

<https://www.swimoutlet.com/collections/hayfieldfarm?rfsn=5946216.7e697e>

or by visiting Sports Fair. Additionally on Sunday, May 22 from 2pm-4pm, the Hayfield Farm Swim & Dive team will be hosting its first Annual *Used* Swimsuit Sale, during which families can buy *gently used* practice suits, summer competition suits, and practice fins. Suits at the *Used* suit sale may be limited as availability will be based on the donations received.

Hayfield Pool also has a pre-swim team program called Mini Hawks. This program is geared towards swimmers who are not quite ready for competitive swimming but are interested in the team in the future. Unlike swimming lessons, we focus on skills such as streamlining, starting dives and stroke technique. Coach Megan will be heading up the Mini Hawk program for the 2022 season. To register for Mini Hawks, swimmers must be four years old as of June 1, 2022. All new Mini Hawks must be evaluated before they are registered. Please check the website for more information about having your Mini Hawk swimmer evaluated.

Registration and more information on the swim and dive teams can be found on the team website: <https://seahawks.swimtopia.com>. Starting on April 23, you can visit the website to register for summer swim and/or dive. The website is updated throughout the season, so please check often for current information.

If you need additional information, please contact our team representatives:

NEW & IMPROVED!

We have been busy getting the pool ready to welcome you back! The HFSC Board has been working hard this winter and spring to incorporate many upgrades. Behind the scenes include installing a new pool filtration system and an automatic chemical monitoring system for the baby pool which should help prevent unnecessary closures. The baby pool has new border tile to match the main pool. We have installed a new diving board and re-anchored the other diving board. Finally, we have brand new table umbrellas.

Swim Lesson Survey

Interested in swim lessons for your child(ren) this summer? Pool management will be coordinating private and group lessons. Please help us coordinate a successful swim lesson program by responding to our Swim Lesson Survey at the following link:
