Let Us Help You Navigate to a Better Life!

Wanda G. Kuhn, Licensed Agent

I am a long-time resident of Hinckley Township, Ohio. . . Some people know Hinckley as the “Home of the Buzzards”. I have been in the Insurance Industry for over 18 years. I began my career as a secretary and worked with some of the best Insurance Agents/Financial Wizards in the business. I began watching, learning, and observing the processes and actions of the Financial markets and Insurance Industry. I worked until 1996 when we had our miracle baby, and I was blessed to be a stay at home mom. When our son entered high school, I volunteered at the school, but I missed working. I decided I could work part time. This is where I first met Nicole E. Brewer. We worked together for over two years at a Financial Planning Firm.

While working part time, I went back to school and received my Insurance license. I have a strong passion for helping people make differences in their lives. I help people navigate through the Medicare “Mayhem,” and share the knowledge of other Insurance Products. Options like using term insurance to cover short term debt, Life insurance for newly married couples, Short and Long-term disability insurance, or even funeral trusts. We have many products for our clients’ needs.

Our philosophy is different. We begin at the very beginning. We get to know our clients. We sit down and talk about their needs, wants, hopes and dreams for their lives. We believe time spent with clients doing a complete and accurate fact finder is crucial to seeing where they are now, and what steps we need to take to get them to where they want to be. Our goal is to help our clients not only **succeed**, but for them to **exceed** their goals!

Whether you are at the beginning, middle, or in the golden years of life, you can be sure I will have you planning for the changes that are sure to come your way! My husband and I have been married 36 years, (I can’t believe it!) so I know about the many ups and downs life can bring. The key is being prepared. I believe strongly in keeping the ethics and morals that I was raised on, and I am proud to be a part of this wonderful organization. We understand what it means to earn your trust. Thank you!
